

MODUL/E: AOS2

Modulprüfungen WS 22/23

Prüfer/in: Juniorprofessorin Dr. Stefanie Büchner

Seminar: New Professionalism - Studying the Relation between Organizations and Professions in Transforming Societies

Prüfungsart: Große Hausarbeit

Thema/Themen

1. On what grounds does Freidson (2013) conceive and defend the concept of three logics, in which profession is understood as a separate logic? Discuss his arguments with those made by Evetts (2011) and Muzoi/Kirkpatrick (2011) against such a strong analytical separation.

Literature:

- Freidson, Eliot. 2013. professionalism. The Third Logic. 1st ed. s.l.: Polity.
 - Evetts, Julia. 2011. A new professionalism? Challenges and opportunities. Current Sociology 59:406-422.
 - Muzio, Daniel, and Ian Kirkpatrick. 2011. Introduction: Professions and organizations - a conceptual framework. Current Sociology 59:389-405
2. Take up the empirical example presented in the seminar session on 24.1.2023 and discuss it with regard to two explicit questions from the debate on "New Professionalism"
